This programme and exhibitor preview reflects the programme direction as at 2 September 2026. Additional speakers, programme partners and Industry Tour details will be announced as confirmations are completed. Timings and session placement remain subject to refinement.

AFRICA E-MOBILITY WEEK & FORUM 2026

INDUSTRY TOURS | Wednesday, 30 September 2026

Nooitgedacht Estate, Stellenbosch, Western Cape, South Africa

Industry Tours | Wednesday, 30 September 2026 The AEW2026 Industry Tours will give delegates direct exposure to e-mobility implementation in Cape Town and the Western Cape. The programme is being developed with GreenCape and will connect delegates with selected companies, projects and institutions working across electric public transport, charging infrastructure, vehicle and component manufacturing, battery systems, fleet operations and local innovation. The final route, participating sites and delegate arrangements will be announced as confirmations are completed.

ORGANISATIONS TO BE VISITED

The Green Cab	Everlectric	Balancell
Chogori Tech	FlexEV	
STROOM Cargo	MellowVans	

The final route, visit sequence, timings and delegate arrangements will be shared as logistics are confirmed.
